2019 Premier Award

The WHKS & Co. Board of Directors is pleased to announce that WHKS was presented with a 2019 Premier Award for Client Satisfaction from PSMJ Resources, Inc. PSMJ Resources is a leading authority, publisher, and consultant on the effective management of architecture, engineering, and construction firms.

The Premier Award recognizes firms in the engineering, architecture and construction industries that receive exceptional client service ratings measured with an online application called the Client Feedback Tool. The web-based tool provides clients the opportunity to provide feedback in the areas of client communication, project delivery, performance, and budgets.

Based on the scores received from clients in multiple categories, WHKS was among the "stand out winners" of the annual Premier Award competition.
